

Bourgogne Chardonnay Les Anges

VINTAGE 2023

LOCATION: South-east facing vineyard plots in the town of Saint Sernin du Plain; Sandstone soil. Age of the vines: 45 years old

IN THE VINEYARD:

We favor a reasoned viticulture with meticulous tillage - ploughing, intervines, natural grassing on the vines sensitive to erosion, organic amendments.

VINIFICATION:

In the winery, we favor wine work that highlights the vintage, the terroir and the appellation; while limiting inputs and taking into account the lunar influences on our rackings and bottlings.

Still in barrels. The bottling is planned in descending moon and flower day

AGEING: 100% oak barrels with 20% new oak barrels

VARIETALS: Chardonnay 100%

TASTING NOTES

Golden dress with gold button nuances

Nose with a beautiful bouquet combining dried fruits, vanilla biscuit, minerality and candied pear

Enveloping palate with a nice fat and a nice balance
