

LA PERLA WHITE RIOJA.

92% Viura, 8% Malvasia.

100% Estate

Viura: 40+ year old vines dry farmed.

Malvasia: Bush Vines.

Fermentation: Stainless steel. No Malolactic.

Aging: 2-3 months with lees

Our goal is to produce wines that respect tradition and the environment. We encourage biodiversity and the dynamic it brings to the viticulture. Our vineyards are located around Labarca, in the heart of Rioja Alavesa. The mountains and continental climate offer perfect conditions for Viura and Malvasia. The altitude of the vineyards is higher than in most of Rioja, resulting in wines of with good freshness.

The grapes are carefully hand harvested. No winemaking additives are used and the wines are very minimally fined or filtered. The resulting wines are traditional in style, with great balance. The concentration of the fruit comes from the hard work in and great care of the vineyards. Gloria Molinet Perez -Winemaker.
