

Bourgogne Pinot Noir Cuvée Origine

Vintage 2023

LOCATION: Produced on vines in the town of Saint Sernin du Plain. South-east facing, on hillsides

IN THE VINEYARD:

We favor a reasoned viticulture with a meticulous tillage: plowing, interceps, natural grassing, organic amendments.

VVINEMAKING:

In the winery, we favor working with wine that highlights the vintage, the terroir and the appellation; while limiting inputs and taking into account the lunar influences on our racking and bottling. The bottling is planned in flower day and waning moon.

AGEING: Ageing 100% in vats.

VARIETALS: Pinot Noir 100%

TASTING NOTES:

Ruby color with beautiful reflections

A nose on the fruit with a concentrate of black and red fruits, typical of Pinot Noir.

The mouth is greedy and fluid with finesse
